**REMARKS**

Claims 1 - 10 are pending in the present application. With the present amendment, Claims 1-9 have been canceled and new Claim 11 has been added. No additional claim fees are believed necessary. Any further charges should be made to the Assignee's Deposit Account No. 16-2480

Claim 10 has been amended to more specifically characterize that the polypropylene glycol has a solubility in water at 25 °C of less than about 1 g/100 g water. Support for such amendment is found in the specification on page 5, lines 29-30. The matter of Claim 10 wherein the hair care composition reduces bulk hair area by at least about 10%, according to an Image Analysis Protocol has been deleted from Claim 10 and incorporated into new Claim 11.

It is believed these changes do not involve any introduction of new matter. Consequently, entry of these changes is believed to be in order and is respectfully requested.
